

Prime Web Solutions is located in Cobham Surrey, south of the A3, just inside the M25 at Junction 10.

How to reach us by car:

Exit the M25 at Junction 10 northbound and follow signs for Cobham. Leave the A3 at the first exit, signposted for Cobham and Weybridge.

Go straight on at the first roundabout (Sainsbury's Petrol Station) and then turn left into Portsmouth Road at the next roundabout (signposted Esher).

After about 500m take the right immediately after the Ford Garage in to Anyards Road.

Follow Anyards Road for approx. 400m and Prime House can be found on the left just past the mini roundabout.

Visitor parking is situated behind the building and found by taking the first left after Prime House (between Blockbuster Video and the Chrysler Garage) in to Frelands Road. Take the first left into our car park (Cobham Gate). Please park in the centre parking bay area in a Prime Group space. Alternative parking can be found opposite Prime House in the Waitrose car park (max stay 1 hour).
